

BRAINSTORMS

The fight for the Democratic presidential nomination continues to heat up with President Carter and Ted Kennedy preparing for a bloodletting. Kennedy started out very high in the so-called polls, but Carter seems to be narrowing the gap. Now, with the problems in Iran, Carter has a golden opportunity to bury any opposition. Democratic or Republican, with proper handling of the crisis, the disadvantage to Carter is that there is no assurance that any particular policy will be approved by voters after the whole thing becomes history. What we think we would like today might not necessarily be what we want to remember as the best idea next year, or ten years from now. Carter doesn't have the luxury of waiting until next year, or for ten years, before making the necessary decisions -- he must act now and hope for the best.

Maybe the way to permanently solve the Iranian problem would be to put Khomeini and his student radicals on a car with Ted Kennedy driving and let Ted drive them across a bridge after midnight. If Kennedy is in good form, he can get himself back to shore and call his lawyer.

James DeVane took off recently and spent a week in New Orleans on a fishing trip. Don't let James fool you with his talk about working hard and not making any money. Many of us would have liked to make the trip, but couldn't afford to even go to the county pond. Fishing must not have been very good, 'cause it is that James hasn't been giving us any glowing reports.

We have been concerned for a long time about medical science conflicting with religious beliefs. Now, we read that a Jehovah's Witness in New York was given a blood substitute in a transfusion rather than whole blood. This satisfied a religious taboo and apparently saved a life. While we support forcing violations of religious belief to save a life, we applaud the advancements that avoid the confrontations.

These days everyone wants to file lawsuits when things disagree with their wellbeing or hurt their feelings. It doesn't matter what the law is, if people are mad, they promise to file a lawsuit. Recently, the former Andalusia police chief received a Supreme Court ruling on his efforts to sue the city and make them hire him back and/or pay him a bunch of damages. The ruling in this case (after being thrown out of federal court) was that the city didn't even need a reason to fire an employee. The fact that the Council didn't want him any longer was all the grounds necessary. We agree with the decision and hope every public official and every government employee not on a merit system will read it in detail and act accordingly.

The debate over the location of the Coffee County courthouse(s) continues in some corners; however, the most pronounced opinion we are getting from all parts of the county is that people are tired of the debate and would like to hear some other topic of conversation. This seems to be the message most of the politicians are getting also, because we hear it is getting increasingly hard to get a politician to discuss the issue.

The City of Elba got Christmas decorations up early this year, but we have received a number of complaints about the missing or burned-out light bulbs. After a little checking, we find the replacement bulbs are ordered and will be in place very soon. So you folks threatening to buy replacements yourself can save your money. Maybe this money would be fine for purchasing a gift subscription of your local newspaper for a friend!

Troy State University has terminated James Hall, the dean of the Journalism Department for conflict of interest. We won't try to sort out the stories to report all the facts, but Hall got involved in starting a weekly newspaper in Pike County. We had heard he was walking a tight wire with the University administration, and therefore were not surprised at news of the firing. He lost a \$30,000 job with all the benefits, to be part of a weekly newspaper business. Anyway, we knew Hall and his wife, Martha, long before they landed at Troy State. We like them and wish them well, whatever happens.

Letter To The Editor

MR. RICKY MULAZZ

Dear Ricky,
On behalf of our team and coaching staff I would like to thank you for your outstanding press coverage you gave our football team this year.

It is not often little country schools like ours get newspaper coverage so we appreciate your paper following us this year. All of my players and many of our fans looked forward, eagerly, to the weekly issue of the Elba Clipper to digest your area football predictions, area coaches' comments, and of course your always superb coverage of the Gamecocks' football. The "Elba Clipper" has certainly become a household word around New Brockton.

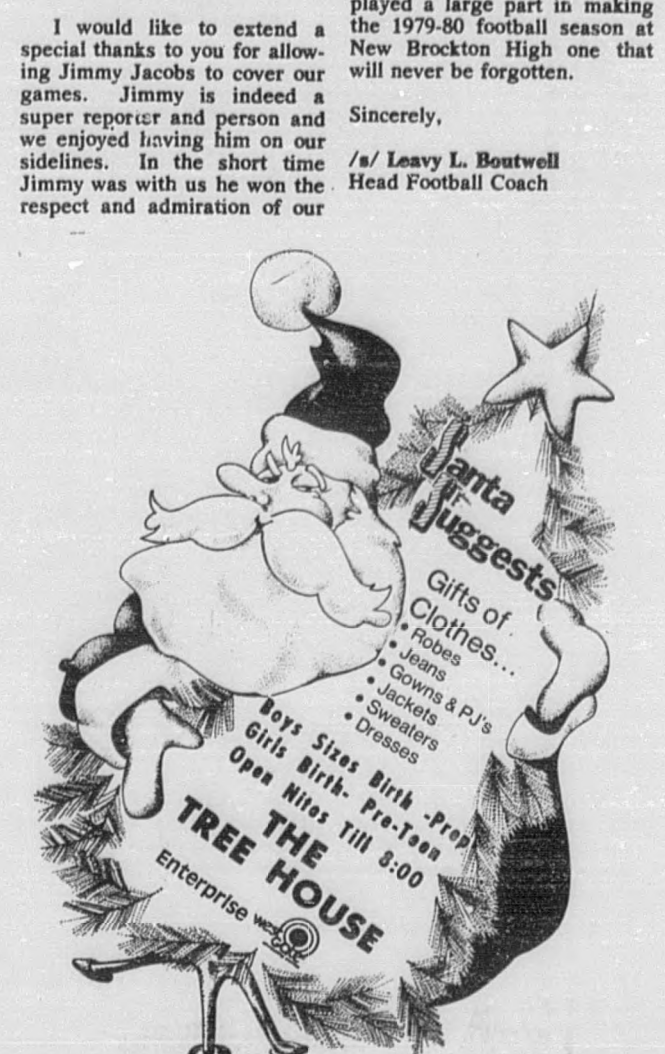

I would like to extend a special thanks to you for allowing Jimmy Jacobs to cover our games. Jimmy is indeed a super reporter and person and we enjoyed having him on our sidelines. In the short time Jimmy was with us he won the respect and admiration of our

entire football team and coaching staff. Every boy on our team calls him the "Clipper Man." We all appreciate him and all he has done for us.

In closing I, on behalf of our team and coaching staff and Athletic Club, would like to extend a special invitation to both of you to our Athletic banquet on December 10th, 1979.

Thanks to you and your paper, this season will forever be in the hearts and minds of every member of our team. Your photos and articles will fill the pages of many scrap books in New Brockton. The clippings may tarnish and yellow with time, but they will remain forever in the hearts of these young men. You have played a large part in making the 1979-80 football season at New Brockton High one that will never be forgotten.

Sincerely,
/s/ Leavy L. Boutwell

Band Spotlight

This week, I think I can speak for the band and thank the city of Elba and the students at EHS for all the support they've given us throughout the marching season. The Marching Tigers have given to three marching contests this year and have brought back eighteen straight superior ratings. We're pretty proud of ourselves! Most people don't understand the pride that a bandman feels when he looks up into the stands only to see people coming to their feet after a well-done show. It makes all the days of hard work and frustration at the band director worth while. Even if the bandman has made several mistakes in the show, the pride swells up in his chest at this sight. Thanks, once again, to everyone who supported us in anyway. We really appreciate it!

Jay Johnson Celebrates 12th Birthday

Jay Johnson, son of Harold and Faye Johnson, enjoyed a memorable twelfth birthday with a trip to Montgomery on November 17th. Chris Boyce, Art Brunson and Chris Cox joined in for the fun-filled day which was awaiting them at the home of Jay's uncle and aunt, Seth and Becky Snellgrove. Much to Jay's delight an Alabama Football theme was used for the occasion. Beautiful autumn weather was perfect for a game of football. A delicious spaghetti lunch was served to the boys on the patio. Mrs. Ruth Snellgrove, Ozark added her specialty of Polish sausage to the spaghetti sauce much to the boys' enjoyment. Jay received a birthday call from his Uncle Seth who was out of town attending a convention. Jay was obviously pleased as he opened each package to find a Crimson Tide gift.

Then, the young men went to the Riverfront Park to enjoy activities while awaiting their cruise on the General Richard M. Montgomery. While cruising the Alabama River, Jay shared his birthday cake with his friends as well as members of the riverboat crew. The cruise was made more interesting by the members of the Birmingham Audubon Society shared their binoculars with the boys and invited them to join their birdwatching. Still full of energy, the boys asked to visit Aladdin's Castle in Eastdale Mall. A picnic meal and party favors were given to the boys for their trip back to Elba.

Teacher Spotlight

BY BOYD DEAL AND SHEILA KELLEY

This week's Teacher Spotlight features Mrs. Mary Herbert. She has been a member of the ZC Faculty since 1972, where she teaches English.

Mrs. Herbert graduated from Pike County High School in 1965, and in 1966, she married Jack Herbert. In June of 1967 she and Jack moved to Elba, Alabama, where they lived until February of 1969.

Mrs. Herbert attended Troy State University, where she majored in math and minored in English. She graduated in 1971. On June 22, 1971, she

and Jack also had their first child, Tracy Jacquelyn (Jackie) eleven days after Mrs. Herbert graduated from TSU. Their second child, Robert Joseph (Joey), was born December 19, 1976.

Mrs. Herbert is also Beta Club sponsor. When she is not busy planning her "five" English classes, she devotes her time and effort to the Beta Club.

She is extremely fortunate in having as a member of its faculty Mrs. Mary Herbert. Keep up the good work, Herbie!!!

Thanks Greg

The Zion Chapel Rebels would like to take the time to thank Greg Brunson for all the time and support that he has given us this year.

His support of our 1979-80 Rebels has been shown by his attending each of our games, both at home and away. His support is greatly appreciated by each Zion Chapel Rebel.

The coverage which Greg Brunson has given the Rebels has been fantastic. Each time the Rebels hit the playing field Greg Brunson was beside us all the way.

For all of Greg's coverage, support, and friendship, the Zion Chapel Rebels say "Thank you."

Thanks To The Cheerleaders

By Kim Leverett

In case you haven't heard, the Rebels have a great group of cheerleaders this year. They have been an instrumental part in the success of the Zion Chapel Rebels. They have really put a lot of time and effort into spirit-raising and maintaining.

There are four seniors, four juniors, and a senior Rebel Mascot. They are, Seniors: Lisa Ammons, Sharon Arnold, Wanda Wambles, Patricia Fair, and Mascot, Melinda Nelson. The Juniors are: Vickie Ellison, Evelyn Culver, Pam Gatlin, and Melinda Sanders.

The cheerleaders were chosen by the student body with the top nine vote-getters becoming the 79-80 cheerleaders. They spend their summer preparing for the upcoming year, and when you watch their routines, you can really tell.

The entire football team would like to say that we love them and really appreciate their hard work and devotion. THANK YOU!!!!

Student Council President Elected

By Melinda Nelson

For the past several years, Zion Chapel has not had an organized student government. This is not due to the fact that our student body has not realized the importance of such an organization but was due to the lack of the momentum necessary to get such an organization off the ground.

This year our guidance counselor, Mrs. Melinda Sanders, has furnished that necessary momentum.

Each class in high school, grades seven through twelve, chose two representatives. Leslie Hussey and Patricia Fair, the two Senior Class representatives, were the nominees for President. They

conducted a campaign which they kicked off by giving a speech during an assembly last Monday morning. Unfortunately, Leslie Hussey was unable to attend so Darrell Costner, his campaign manager, gave the speech.

The student body then went to the polls to vote. Mrs. Patricia Fair had obtained special permission for our students to use a voting machine. This was a good opportunity for the students to learn about the democratic process.

After the last vote was entered, the machine was totaled to reveal Leslie Hussey as the 1979-80 Student Council President.

For all of Greg's coverage, support, and friendship, the Zion Chapel Rebels say "Thank you."

TSU Hires Two Of Its Own As Admission Counselors

When Jennifer Harbuck and Lisa Sharpless introduce high school and junior college students to Troy State University, the two young women speak from experience.

Both new admissions counselors in TSU's Office of Enrollment Services, Miss Harbuck is an alumna of the university and Miss Sharpless is a senior at TSU.

"Our own students are best recruiting tool," Ervin Wood, Dean of Enrollment, says in announcing their appointments.

"Enthusiasm and familiarity with the university are key aspects of an admissions counselor's job. Jennifer and Lisa have the qualities which make them outstanding representatives of our school," Wood adds.

The young women stay on the road a majority of the time, visiting high school and junior high campuses in Alabama, Georgia and Florida for College Day or Career Day programs and by private appointments.

After talking individually with students interested in Troy State, they follow up by sending them brochures, pamphlets and invitations to tour the campus.

Miss Sharpless, an Elba native and a graduate of Elba High School, is only a few credit hours away from earning a bachelor's degree in Journalism. She will finish work on her degree during the coming year.

She is a former secretary of the Student Government Association and a former member of Kappa Delta social society, Rho Lambda honor society for Panhellenic Women, Gamma Beta Phi and Omicron Delta Kappa.

Miss Sharpless brings with her two summers of experience as a pre-college orientation leader at TSU.

The daughter of Mr. and Mrs. R. S. Sharpless, she is a former White Carnation Girl for Delta Chi social fraternity.

"Meeting people and traveling make the job a challenging one," Sharpless says. "Too, I get a special satisfaction from assisting prospective students as they make an important career decision."

Anyone wishing to know more about Troy State University and its programs may contact them at 566-3000, extension 179, or by writing to Enrollment Services, Troy State University, Troy, Ala. 36061.

Well, I have finally dried out after a wet weekend of football! On Friday night I splashed along the sidelines at Zion Chapel in a constant downpour, and then on Saturday I sat in a "monsoon" while watching the Alabama-Auburn junior varsity play in Auburn. To top it off, before I even had a chance to get dry I got "re-soaked" by a pre-game downpour at Enterprise. I did finally manage to get dry late Saturday night, but it was a cold, wet weekend!

I got a phone-call from some Eufaula fans on Tuesday and they were upset over my comments about their team. Eufaula had a good team that I felt played a rough and sometimes dirty brand of football, and I think they'd be even better if they would just play good, hard ball.

Basketball season is here and I think Elba has a good shot at posting a winning record. Coach Kirkland's is experienced and knows what to do, and should win a lot of games. Their first game is Friday night against Samson, and I urge all the Elba students and fans to come out and support the team.

Zion Chapel was eliminated from the Class A playoffs last week, but they had a good team and had a successful year. The Rebels clinched a playoff berth early in the season, and had a letdown. Then Byron Foley died and the club had to reach down and overcome the pain and keep on going! Zion's team worked hard and earned everything they got, and the folks at Zion Chapel should be proud of their team.

Ye Ole Polish Prognosticator didn't do so well last week, but refused to quit and will try again...

NEWS from your PHARMACIST

BY: KRIS SCARBOROUGH

Here is a word of caution—never, never pluck hairs from your nostrils. This is a dangerous practice which could possibly cause an infection. Hairs in the nostrils should always be trimmed with a pair of blunt-end scissors. Great care should be taken not to cut yourself.

Hairs in the nostrils do grow rather long and are unsightly, so trimming is a must. Another good reason for not plucking out these hairs is the fact that they serve a useful purpose. The nostril hairs filter dust and other foreign particles.

Cotton swabs and water should be used to clean out the nostrils before cutting the hairs. Swabs and other medical supplies are available at our complete pharmacy. We serve these needs and compound your prescriptions with care.

Elba Tigers Open Basketball Season Friday Night

The Elba Tigers open their 1979-80 cage season tomorrow night (Friday) when they host the Samson Tigers, in the Elba High gym. The B game will start at 6:00, with the Varsity game set for 7:15.

"We've practiced 5 days," said Coach Jerry Kirkland, "and all the players have been

at every practice. We've had good leadership from all the returning players, and it's been a true team spirit so far. We have 5 starters that are capable of scoring at any place, and a bench that can come in and help. We've done a lot of work on offensive and defensive fundamentals, and we're all

excited about the season." "Our fans will see us play a faster, more exciting brand of basketball this year," added Kirkland, "and we'll try to take advantage of our quickness. We plan on putting pressure on people, and hope to get the ball up and down the court. I think we'll be more exciting on both offense and defense."

"Samson is not as big as last year," said Kirkland, "but they really get after you and play a good man-to-man defense. They do a super job on the boards, and if we beat 'em, we'll have to rebound with 'em. We can't let their constant pressure get to us, and hope to play our type of game. We're looking forward to it."

New Brockton Wins Ashford

Tip-Off Tourney

The New Brockton Gamecocks opened their season last week by winning the Ashford Tip-Off Tournament, in Ashford. The tourney was a round-robin affair including Ashford, Rehobeth, Dale County, and New Brockton. New Brockton, coached by Charles Cole, opened the tourney with a 65-46 win over Dale County, then thumped Rehobeth 57-52 and Ashford 54-45 to claim the crown.

Robbie Shepard hit a free throw with only :08 left in the game to ice Brockton's 65-46 win over Dale County. New Brockton led 38-30 at the half, only to fall behind early in the final stanza, and then rally behind the shooting of Ricky Nelson. Nelson, who scored a game-high 24 points, hit on a 3-point play with 1:45 left in the game to put Brockton ahead for good, and the Gamecocks held on. Frederick Thomas had 20 points, 14 rebounds and 6 blocked shots for Brockton, while Robert Wilson added 10 points.

NEW BROCKTON 57 REHOBETH 52
New Brockton jumped into an early lead on fast-breaks and then slowed down the pace to dump Rehobeth 57-52. The Gamecocks used their aggressive play and height advantage to dominate the boards, and stayed in a tight zone defense which kept the Rebels at bay. Ricky Nelson scored 17 points and had 5 assists to lead Brockton, while Robert Wilson had 12 points and 11 rebounds. Frederick Thomas added 8 points, 12 rebounds and 7 blocked shots.

NEW BROCKTON 54 ASHFORD 45
Frederick Thomas, a 6-7 center, scored 15 points, grabbed 18 rebounds and blocked 9 shots to lead Brockton to a 54-45 win over Ashford. The Gamecocks jumped into an early lead and pulled ahead 26-20 at the half. The second half was dominated by the Gamecocks' zone defense, which controlled the tempo of the game, and Brockton was never in trouble as their record rolled to 3-0. Robert Wilson added 17 points for Brockton, while Ricky Nelson scored 16.

"I was very pleased with our play in the tournament," stated Coach Charles Cole, "and the early wins will help us. If we can improve on our mistakes, we'll be okay. It was a good tournament for our team, and the pressure did us a lot of good. We did improve on defense each night, and our

State Grid Playoffs Enter Semi-Finals

Two defending champions and eight unbeaten teams have made Friday's semi-final round of the Alabama High School Athletic Association state football playoffs.

Sweet Water in Class A and Jeff Davis of Montgomery in Class 4A still have their sights set on consecutive state titles, but 3A defending champion Eufaula was ousted last week-end by Jackson in three overtimes, 10-7.

Elmore County, the 1978 Class 2A winner, was eliminated in the first round by Randolph County, one of the semi-finalists.

In Class A, Sweet Water and Billingsley, a pair of unbeaten, are headed for an offensive shootout. Coach Nolan Atkins' Sweet Water club has outscored two playoff opponents, 61-17, while Billingsley of Coach Ray Gilliland has outpointed two foes 69-6.

West End of Walnut Grove, the undefeated team coached by Wayne Robinson, takes on Carrollton in the other A matchup. West End is undefeated on after the first two rounds while Coach Billy McGee's Carrollton team ousted 1978 runnerup West Jefferson last week, 34-24.

In Class 2A, Stevenson is joined in the semis by three teams making their playoff debuts - Parish, Southern Choctaw and Randolph County. Coach Kenneth McKinley's Stevenson club, the state champion in 1977, faces Fayette and Lexington. Parish of Coach Tim O'Neil has defeated Gordo and Oneco.

Randolph County of Coach Ronald Waters, unscored on in the first two rounds, faces Coach William Boggs' Southern Choctaw crew which downed Shields and Florala.

In Class 3A, unbeaten Stanhope Elmore, Glencoe and 1978 runnerup Colbert County, are joined by Jackson, 11-1. Coach Jimmie Foshee's

Stanhope Elmore team, which rallied for a 22-18 win last week, hosts Barry Pennington-coached Jackson, which dumped Evergreen before outlasting Eufaula.

Coach Lyle Darnell's Glencoe club, coming off one-point wins over Wellborn and Gardendale, battles Don Creasw-coached Colbert County, which has outscored two opponents 58-13.

In Class 4A, there are no undefeated teams, but defending champion Jeff Davis and 1978 runnerup Vestavia Hills are still in the running. Coach Billy Livings' Jeff Davis team, victorious over Berry and West End, meets Bill Bacon-coached Enterprise.

Billingsley Sloshes By Rebels 34-6

By: GREG BRUNSON

The Zion Chapel Rebels and the Billingsley Bears did battle this past Friday night on a wet field in Jack, Alabama. The end result was a 34-6 victory for the visiting Bears. A thirty-four - six seems to be a real runaway, but the game was much closer than the final score would indicate.

The Rebels took the opening kickoff, but were unable to move the ball, gaining only one yard on three running plays. Tony Calhoun hit a beautiful 40-yard punt which gave the ball to Billingsley on their own 29-yard line. The Bears put together a big 10-play drive which ended on the Zion Chapel 11-yard line as Herman McClain recovered a fumble.

Zion Chapel was again unable to move the ball and was forced to punt from their own 13-yard line. The snap on the punt rolled harmlessly into the endzone where a mad scramble began. James White fell on the ball in the endzone for the Bears' first score of the evening. Brown was again good on the wide left, so with 3:35 to play in the first quarter, Billingsley led 6-0.

After the ensuing kickoff, Zion Chapel started a drive on the 30-yard line. Fourteen plays later, Herman McClain powered in from the 3-yd. line with 5:47 left to play in the first half. The try for a failed, which left the score tied at 6-6. Billingsley took the kickoff and drove 56 yards in 10 plays to record their fourth score of the evening. Brown's kick was good, and that was the half ended - Billingsley 13 - Zion Chapel 6.

The second half kickoff went to Billingsley. They promptly drove 72 yards in 9 plays to record their first touchdown of the second half. Roosevelt Hunter carried the last 3 yards into the endzone for his second touchdown of the night. Brown's kick made it Billingsley 20 - Zion Chapel 6, with 8:33 left to play in the third quarter.

Zion Chapel's coaches, David Collins and Jeff Kelley, talk over defensive plans with Chris Sanders (54).

Both defenses stiffened on the next three series, with Zion Chapel 6.

The Zion Chapel Rebels finished the season with a record of 7-3. Billingsley will journey to Sweetwater this Saturday night to battle with the defending Class A State champions.
